www.raphaologyhealing.com

**Herbal Preparations,
Sacred Animals and
Geometry, Energy
and Body Work**

Combine fun using messenger animals and healing crystals with practical training on the art of botanical healing products for body, skin, and home — salves, soaps, bath salts, oils and lotions, mouthwash, poultices, and cleaning products — knowledge you'll use for the rest of your life.

You'll also learn:

- How to make and apply plasters
- Performing energetic healing
- How to use herbal ear candles
- Skills in extra-sensory powers and intuition
- Manifest your reality with wave and particle patterns
- Use the commands of Creation with universal keys

Prerequisite for attendance is completion of Raphaology Courses 1A and 1B
